- When?
- What?

- None of us can earn a relationship with God.
- All of us can have a relationship with God.

THIS WEEK: Pray daily for each person on your list.

The 5th Message in the Series, "Habit Forming"

SMALL GROUP DISCUSSION QUESTIONS

These questions are provided to assist you in aligning your life with this week's message. We encourage you to reflect on them in preparation for your small group discussion.

1. Which resonates the most with you and why: Our Purpose, Our Measure of Success, or Our Vision?
2. What evidence is there that your group is pursuing each of the above? How could you do even better?
3. How does sharing your faith help you become more like Jesus?
4. Read our memory verse for this week: Romans 10:1. Why is a strong desire to reach people not enough?
5. What are the benefits of consistently praying for those we're trying to reach?
6. What's the aim of the habit? What's the vehicle to achieving the aim? Describe the value of the vehicle with and without the aim.
7. Reflect on Colossians 4:2-6. Where does this passage challenge you the most? Take time to break into smaller groups and pray specifically for the people on your list and your biggest challenge in reaching them.

MEMORY VERSE
