## SMALL GROUP DISCUSSION QUESTIONS

These questions are provided to assist you in aligning your life with this week's message. We encourage you to reflect on them in preparation for your small group discussion.

1. What teachable moments did you seize or miss this week?
2. Read our memory verse for this week. Share some ways you have used the times outlined in this passage to "make time your friend" in parenting your kids.
3. Who do you know that's doing a good job of parenting? What have you noticed that impresses you and how could you learn from them?
4. What are the benefits and the challenges of focusing on one area of character development at a time?
5. What's one of your biggest God-stories that your children should know? How will you use what you've learned in this week's message to share it?

### MEMORY VERSE

"Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up."
