The 4<sup>th</sup> Message in the Series, "B2S on the 4 R's"

## SMALL GROUP DISCUSSION QUESTIONS

These questions are provided to assist you in aligning your life with this week's message. We encourage you to reflect on them in preparation for your small group discussion.

1. Share which of the 4 R's has helped you the most and how.
2. Read Proverbs 6:6-8. What principles or insights do you see in this passage that would help you live with greater intentionality?
3. List some ways that people tend to distract you? What are some effective ways to deal with them?
4. Are you being challenged by any distracting circumstances right now? Discuss these with the group and determine how you might regain your focus.
5. Review the diagram in the outline. Which direction do you tend to look when evaluating progress: how far you've come, or how far you have to go?

### MEMORY VERSE

"Go to the ant, you sluggard; consider its ways and be wise! It has no commander, no overseer or ruler, yet it stores its provisions in summer and gathers its food at harvest."
